

KULOT

An almost true love story
For two almost mutes clowns
On an almost crazy rythm

CIE
ALSAND

What is the project ?

It's called Kulot
And it's Chaloupe and Larkabo
Or Morgane and Damien
(We don't know anymore)
Who tell a love story
(An almost real one)
From its beginning
To its end

To tell it
We invented a language
We sing and we move
We play music
We go to the audience
And we get married
(Maybe).

(To make him want
to come running)

All you can say to your audience

It lasts **20 min**
(We don't see them pass)

There's an **invented language**
(So everyone understands)

But also **singing**
(Sometimes both)

But also **idioty**
(Often the tree)

And then we **move a lot**
(Like Rihanna)
(Well, almost)

It's for **everyone**
(Kids from 5 years)

It's **clown** without a nose
It's **theater** without boredom
It's a **concert** without violin
It's a dustlest **ballet** ←

(A french joke because
ballet is the same word for broom)
(ho ho ho)

On stage there are **two artists**
(Finally three with the audience)
For the **street**, the **rooms**
Or **wherever you want**

Who is the Cie Alsand

We are Morgane et Damien
And we met
In a clown school
But instead of working
We got together
And then finally
We decided to work a little
So we did four shows
Who played in Switzerland
Especially in La Plage des Six Pompes
Who spotted us and supports us.

This year
If all went well
We should have played there:
- The Fondus du Macadam in Thonon (FR)
- The Festi'Neuch in Neuchâtel (CH)

- The Aurillac Festival (FR)
- Chalon dans la Rue (FR)
- The Castel of Nyon (CH)
But since all is not well
We find ourselves stranded there :
- Our living-room (CH)

But finally
Lots of things fall into place
And our year
Is going to be beautiful
And we may even
Come to you and play in Poland
Which would be
Pretty incredible.

Important places for us (We don't joke with them.)

School le Samovar (FR), where we studied and where we met

Le FAR de Sion, a family festival in Sion (CH)

Musical festival in Yverdon (CH)
(Who produced our second show)

FestiLu, a family festival in Lutry (CH)

The company was spotted and is supported by la Plage des Six Pompes (CH)

If you want to speak with us

(Don't hesitate, we can speak.)

We are looking to
Have fun with people
Create emotion
And share the madness.

We create the company
To love each other in life
But also in work

(It's very usefull.)

And to bring together
The show and the music
The idiocy and the poetry
The work and the freedom

(The cheese and the chocolate.)
